CCC&TI SuperSummer Camp Class Descriptions

Interested in theater?

Come design costumes and props and learn about how characters are developed.

Like competition?

Join in on the Pinewood Derby and build helicopters and airplanes.

Love science?

Science Adventures will take you from a laboratory to a discovery of dinosaurs all in one week.

Classes are structured on a two-hour time frame. Each session is scheduled from 8:00 am - 12:00 pm with two different topics to be covered. Students will be separated into different age groups to allow each program to be customized with appropriate activities.

Early drop-off times will be available from 7:30 am - 8:00 am each day. Late pick-up times will be from 12:00 pm - 12:30 pm. Included in the registration fee will be:

- Use of early drop-off
- Late pick-up
- 2 programs each week
- Snack in between programs

Take a look at the amazing lineup of sessions and pick as many as you want.

All weekly sessions run 8 am to 12 pm daily and are for kids ages 5 and up.

Power Cheer

June 18 - June 22

Cheerleading/Dance

Students will be taught an age appropriate dance, cheer, and chant. The class will work on tumbling as well as stunting. Students will also do several team building/cheerleading activities, which will work to build self-confidence. The class will be high energy and lots of fun. Cheerleaders need to dress in gym shorts or pants, t-shirt, and tennis shoes. Hair needs to be put up off their shoulders. No jewelry is allowed! Students need to bring a bottle of water with their name on it.

Gymnastics/Dance

Like to dance? Want to learn some new moves? This course is designed to allow students to learn to express themselves through movement. They will learn many different dance styles within the classroom and will have time to share ideas and be creative in coming up with their own dance routine. Students will need to wear comfortable clothing that allows easy movement. They will also need tennis shoes and socks. Students should bring a water bottle with their name on it.

Steps Ahead Fitness

June 25 - June 29

Basketball Camp

Love basketball? Want to learn more? Come and have fun this summer learning basketball fundamentals such as ball handling skills, passing, dribbling, shooting and team play. Bring your friends and make it a group effort. Students need to bring gym clothes, tennis shoes and a water bottle with their name on it.

Kickin' Martial Arts

This course will introduce students to the basic movements within martial arts. Several styles and techniques will be covered to help students get an idea of the many different disciplines that are taught. Students will need to dress in casual gym clothes and have socks available. Students will need to bring a water bottle with their name on it.

You've Got Talent

July 9 - July 13

Costumes and Props

Can't get enough acting? Students will be introduced to life in the theater, from costume design to final curtain call. Have fun while you build the skills and confidence you will need to succeed in the theater, in school and in life!

Characters and Scripts

Ever wondered how scripts are developed for plays, movies, or TV shows? How each character is developed? What goes into playing a role in a program? Come take part in the preparation of a play to be performed the last day of class.

Speed Camp

July 16 - July 20

Aerodynamics

Like airplanes? Want to build a helicopter? Come learn how to build and fly different types of model airplanes. Students will learn different ways to achieve top flight speed and time. Each student will have a model to take home with them.

Pinewood Derby

Want to race a car? Want to build that car with your own hands? This course is designed to allow students to build their own pinewood derby car and to prepare for a race on the final day. Each student will take their car home with them.

Art Expo

July 23 - July 27

Pottery

Like making things with your hands? Come experience the world of pottery. Students will have the chance to learn with hands-on experience the art of creating many different types of pottery. All of the pieces that are created within the classroom will be displayed at a gallery opening at the college on the last day. Students will be able to take their projects home at the end of the week.

Art: A Little Bit of Everything

Want to create something? Like to use your imagination? Come and allow your imagination to soar. This course will introduce students to many different types of art and allow many great hands-on projects. Students will be able to showcase their projects in an open gallery at the college on the last day of class.

Science Adventures

July 30 - August 3

Mad Scientist

Step into a lab full of fun and discover your inner mad scientist! Whether you are a chemist, a physicist or an engineer, during Science Adventures Camp you will have a wild and wacky time exploring different types of science.

Dinosaur Discovery

It's a prehistoric pandemonium! Learn all about dinosaurs—their history, where they lived, what they ate and why they aren't around anymore. From T.Rex to raptors to triceratops, come have some prehistoric fun with dinos! Plus, make a fossil cast to take home!

Kids in the Kitchen

Baking Magic

6/25-6/29

Learn the science behind the magic of baking and pastries

Students will prepare and enjoy such items as cupcakes, puff-pastry desserts, tarts and finish the week off with their own "Specialty" Cake.
